WE ARE A BENEFIT CORPORATION

We have adopted a virtuous business model to strike a balance between profit and sustainability

“In 2023, we reached a new target: we became a **Benefit Corporation**, an innovative way of doing business **centred not only around profit, but also objectives linked to protecting environment and promoting sustainability.**

We are proud to be **one of the first companies in our sector** to have obtained this denomination. For us, it represents yet another step towards creating shared value in a responsible way”.

Alberto Fassi
CEO, Founder & Dreamer
