WE ARE A BENEFIT CORPORATION

We have adopted a virtuous business model to strike a balance between profit and sustainability

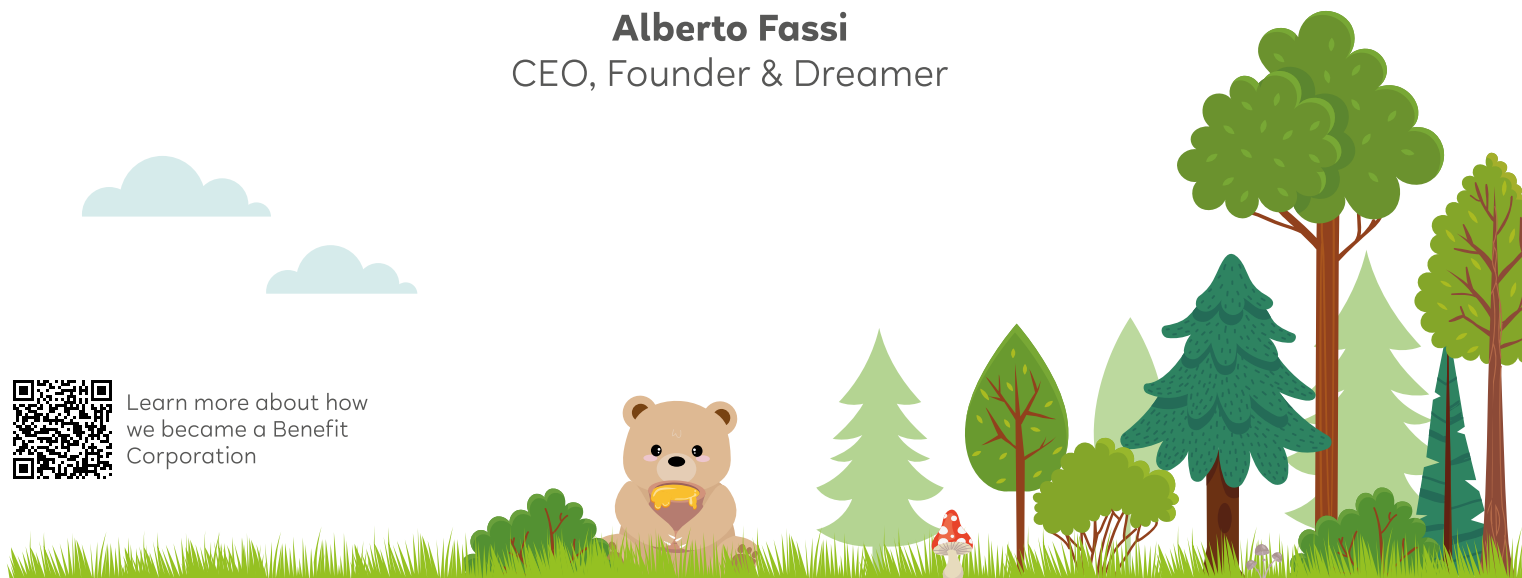

“In 2023, we reached a new target: we became a **Benefit Corporation**, an innovative way of doing business **centred not only around profit, but also objectives linked to protecting environment and promoting sustainability.**

We are proud to be **one of the first companies in our sector** to have obtained this denomination. For us, it represents yet another step towards creating shared value in a responsible way”.

Alberto Fassi
CEO, Founder & Dreamer

OUR FIRST SUSTAINABILITY REPORT

Our commitment to a positive impact on the environment and people

In 2023, in advance of European deadlines, we presented **our first Sustainability Report**, a transparent and complete report on actions taken and future projects, with the aim of improving our ESG impact:

Environmental

- Carbon Footprint
- Life Cycle Assessments
- Eco-friendly packaging
- Product recycling

Social

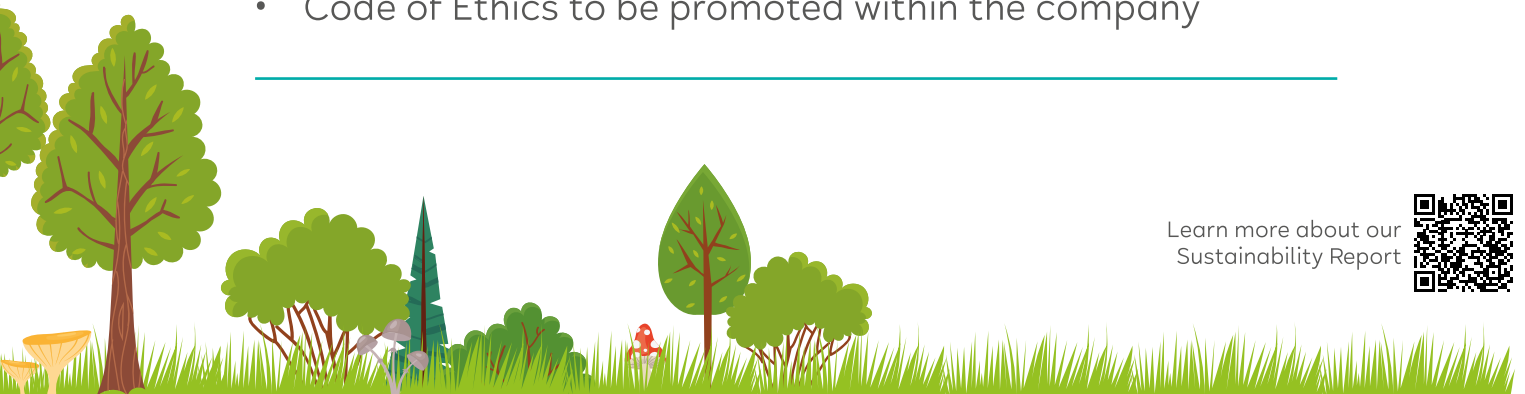

- Employees' development and well-being
- Sustainable supply chain
- Customer health and safety
- Projects in schools for the most vulnerable pupils

Governance

- Customer satisfaction
 - Code of Ethics to be promoted within the company
-
